FOR Release 17th January 2008, 18:00:

Leading MDA Solution provider joins CG2008 line up

We are pleased to welcome Netfective as a Gold sponsor for Code Generation 2008.

Netfective are the providers of leading MDA toolset BLU AGE™. BLU AGE™ software provides a complete MDA solution to fill the gap between customers' expectations and fast time-to-market application delivery based on UML business modeling and 100% target code generation.

The company, based in France, will present two sessions at June's event.

[Code Generation 2008](#) brings together industry experts and leading vendors from areas such as model-driven development, software factories and domain-specific languages in a three-day event covering the practical application of code generation tools and technologies.

The event takes place in Cambridge, UK from June 25th-27th 2008. For more information visit the [Code Generation 2008](#) web site.
